

A.C.A., We Are A.C.A.B.

But i`ll be down on the streets
With all the kids tonight
Feeling lots of pride
Coz we`re supposed to have freedom and
We do have a right
To crop our heads and put our boots
On, alright?!!

We are A.C.A.B.
We are the Skinheads army
We`re the youth of the working class
We`ll make a change, we will make it fast
