

# A.C. Newman, Submarines Of Stockholm

stop twisting your  
words into shapes  
shapes you can only make out when you squint  
traveling with  
heads full of myth  
our submarine pulls into stockholm  
la la la... Stop!  
it was one in a series of  
highlights and holy lows  
one in a series GO!  
forget yourself  
he's somewhere else  
you have the luxury of b-sides  
know what i do  
i got buckets full  
our submarine pulls into stockholm  
lalala... stop!
