

# A-Camp, The Bluest Eyes In Texas

That lonesome Texas sun was setting slow  
And in the rear view mirror, I watched it go  
I can still see the wind in her golden hair  
I close my eyes for a moment, I'm still there  
The bluest eyes in Texas  
Are haunting me tonight  
Like the stars that fill the midnight sky  
Her memory fills my mind  
Where did I go wrong?  
Did I wait too long or can I make it right?  
The bluest eyes in Texas  
Are haunting me tonight  
Another town, another hotel room  
Another dream that ended way too soon  
Left me lonely way before the dawn  
Searching for the strength to carry on  
The bluest eyes in Texas  
Are haunting me tonight  
Like the stars that fill the midnight sky  
Her memory fills my mind  
Where did I go wrong?  
Did I wait too long or can I make it right?  
The bluest eyes in Texas  
Are haunting me tonight  
For every heart you break  
You pay the price  
But I can't forget the tears  
In her blue eyes  
The bluest eyes in Texas  
Are haunting me tonight  
Like the stars that fill the midnight sky  
Her memory fills my mind  
Where did I go wrong?  
Did I wait too long or can I make it right?  
The bluest eyes in Texas  
Are haunting me tonight  
The bluest eyes in Texas  
Are haunting me tonight  
The bluest eyes, the bluest eyes  
Are haunting me  
The bluest eyes, tonight
