A-Camp, The Weed Had Got There First

For reasons that I don't understand I was out with a shovel in my hand If someone seen me let me know I must've been looking for sand or snow I had a garden on my mind Ivy was growing around my spine I lost a needle in the hay I'm hoping I'll never need it anyway I wanted to plant a little seed To fertilize the dirt I didn't see the sleeping weed The weed had got there first
