

A Cinderella Story, Best Day of My Life

Woke up around a half past ten, can't believe that I'm late again
I put down 'bout a quart of caffeine to start my pulse and then
I grabbed my jeans off the floor then I hit the door
Just the same old same
It just goes to show, you never know when everything's 'bout to change
Just another day
Started out like any other
Just another girl
Who took my breath away
Then she turned around
She took me down
Just another day that I
Had the best day of my life
Can't say exactly what it was, she's not the usual type
She wore a cowboy hat with her red Prada boots
And a Gwen Stefani smile
Then she pulled out a pen and surprised me when
She wrote her number on my hand
Then she was gone, and from now on, I'm gonna be a different man
Just another day
Started out like any other
Just another girl
Who took my breath away
Then she turned around
She took me down
Just another day that I
Had the best day of my life
I guess it goes to show, you never really know
When everything's about to change

Just another day
Started out like any other
Just another girl
Who took my breath away
Then she turned around
She took me down
Just another day that I
Had the best day of my life
Just another day
Started out like any other
Just another girl
Who took my breath away
Then she turned around
She took me down
Just another day that I
Had the best day of my life
Started out like any other
Best day of my life
Started out like any other
I had the best day of my life
Best day of my life
Took my breath away
Best day of my life
Best day of my life
Best day of my life
Best day of my life
I had the best day of my life
