

A Cinderella Story, Now You Know

In these eyes, more than words
More than anything that I've spoken
As the skies turn to gray
My heart's just about to crack open
So the story goes
That there's something you should know
Before I walk away and I blow the ending
I never wanna be without you, oh no
Here I go, now you know
What I feel about you, there's no running
I must have been wrong to doubt you, oh no
There I go, no control
And I'm fallin', so now you know
Feel so light, craving oxygen
All this truth's left me empty
Will you run? Can you handle it?
'Cause I need you to tell me
Maybe this seems bold
But I'm hoping you'll stay for the happy ending
I never wanna be without you, oh no
Here I go, now you know
What I feel about you there's no running
I must have been wrong to doubt you, oh no
There I go, no control
And I'm fallin', so now you know
No, I won't look back
When I tell you what I think about you
No, I won't look back
When I tell you what I think about you
So the story goes
Yeah, you already know
So don't be a fool and go spoil the ending
I never wanna be without you, oh no
Here I go, now you know
What I feel about you there's no running
I must have been wrong to doubt you, oh no
There I go, no control
And I'm fallin', so now you know
I never wanna be without you, oh no
Here I go, now you know
What I feel about you, there's no running
I must have been wrong to doubt you, oh no
There I go, no control
And I'm fallin', so now you know
