

A Cutthroat Kiss, Gasoline Sunsets

[Verse 1:]

(Unknown Screaming)

[Chorus:]

Engulfed in the flames,
while I'm screaming your name,
can you hear me this last time?
Gasoline sunsets,
wake us from our rest
as the darkest sky ignites.

[Verse 2:]

(Unknown Screaming)

[Chorus:]

Engulfed in the flames,
while I'm screaming your name,
can you hear me this last time?
Gasoline sunsets,
wake us from our rest,
as the darkest sky ignites.

[Verse 3:]

(Unknown Screaming)

[Bridge:]

Cross my heart,
and hope to die,
with the gasoline sunset lighting up the sky. [x7]
Cross my heart,
and hope to die,
with the gasoline sunset lighting up the sky,
tonight...
