"Even in Hell,
There will be a side of the radiant Light."
That was what you taught me.
If it is without you,
It will be like the far away past,
Unable to lift my spirits,
Even courage fades into emptiness,
Will not even know how to deal with important matters,
And foolishly living on without planning for the future.
On the other side of the mirror,
There hides a fantasia dream,
But it is something I will never be able to grasp.
What do you yearn for?
You never said a word,
Your face only reflects the ashen Darkness.
