

# A.F.I., A Winters Tale

A chilling silence, a world of violets  
My breath materialized again  
Immaculate, inanimate  
A comfort cutting time I see a string of white lights  
Forever walking through December  
Forever longing for a sign of life, a bringer of light  
Forever wandering together through  
A world of violets  
Ice everlasting  
A full moon casting a purple veil enshrouding all  
I perambulate, somnambulant  
A solace piercing time I see a string of white lights  
Forever walking through December  
Forever longing for a sign of life, a bringer of light  
Forever wandering together through  
A world of violets  
If only one for night, if only for one night  
If only for one night remember  
If only for one night, if only for one night  
if only for one night together  
Forever walking through December  
Forever longing for a sign of life, a bringer of light  
Forever wandering together through  
A world of violets
