

# A.F.I., Exsanguination

Welcome the whole new pain and take comfort in all you've become.

I waved as I passed myself along the way.

I have arrived so unashamed, but my reflection no longer looks the same.

It seems much dimmer now...it seems so dim.

[Chorus]

Just stumble and fall into a world that's overcrowded.

And you will find me.

Won't recognize me; I won't recognize myself.

I have arrived so unashamed, but all my senses no longer seem the same.

I can sense everything.

My sight's so clear.

[Chorus]

In an instant, my life just slipped away.

I fought for life the whole time you were holding me down.

You watched me dying.

Holding me down, you brought my rebirth.

Holding me down.

You watched me dying, holding me down

You brought my rebirth.

[Chorus]
