

A.F.I., Halloween

Once there was a boy who had a vibrant glow,
But as it goes someone took it from him.

One day through the rain I heard him meekly moan,
He said, "Will you wrap your arms around me as i'm falling?"
Remember When, Remember When, Remember when we were all so beautiful?
Never again, Never again, But since then we've lost our glow.

They said it hurt their eyes but he would never know,
That they were filled with regret as their own dissipated.

He said, "I now feel more desperately alone, even though they wrapped their arms around me
Remember When, Remember When, Remember when we were all so beautiful?
Never again, Never again, But since then we've lost our glow.

They said it hurt their eyes,
But he would never know,
That they were claiming regret as their own
As their own dissipated...
