

# A.F.I., I Wanna Mohawk

I may be ten years old but i still know what's up.  
I wear my cramps shirt almost every single day.  
I want to sag my pants.  
I want to pogo dance,  
But mom won't let me so i might just run away.  
I wanna ride my skate.  
I wanna stay out late.  
I want a mohawk but mom won't let me get one.  
I wanna go to shows.  
Don't wanna pierce my nose.  
I want a mohawk but mom won't let me get one.  
I may be in fourth grade,  
But i know what's going on.  
I listen to the misfits almost every single day.  
Don't want to take a nap.  
I want a tv tat,  
But mom won't let me so i might just disobey.
