Man In A Suitcase

&quot;man in a suitcase&quot;

I'd invite you back to my place  
I know its mine because it holds my suitcase  
It looks home to me all right  
But it's a hundred miles from yesterday night

Must i be the man in a suitcase  
Is it me, the man with the stranger's face  
Must i be the man in a suitcase

Another key for my collection  
For security i race for my connection  
Bird in a flying cage you'll never get to know me well  
The world's my oyster, a hotel room's a prison cell

Must i be the man in a suitcase  
Is it me, the man with the stranger's face  
Must i be the man in a suitcase

I'd invite you back to my place  
I know its mine because it holds my suitcase  
It looks like home to me all right  
But it's a hundred miles from yesterday night

Must i be the man in a suitcase  
Is it me, the man with the stranger's face  
Must i be the man in a suitcase

Is it me, the man with the stranger's face  
Must i be the man in a suitcase  
Is it me, the man with the stranger's face  
Must i be the man in a suitcase  
Is it me, the man in a suitcase
