

A.F.I., Morning Star

I saw a star beneath the stairs
Glowing through the melting walls
Who will be the first to begin their fall?
Or will we become one?
Am I the star beneath the stairs?
Am I the ghost upon the stage, am I your anything?
I saw a star beneath the stairs
Glowing bright before descent
And in the morning, there is nothing left, but what's inside of me
Am I the star beneath the stairs?
Am I the ghost upon the stage, am I your anything?
Am I the star beneath the stairs?
Am I the ghost upon the stage, am I your anything?
And I don't want to, die tonight will you believe in me
And I don't, want to fall into the light
Will you wish upon, will you walk upon me?
I don't wanna die tonight
Will you believe in me tonight?
Am I the star beneath the stairs?
Am I the ghost upon the stage, am I your anything?
Am I the star beneath the stairs?
Am I the ghost upon the stage, am I your anything?
