

A.F.I., Silver And Cold

I, I came here by day but i left here in darkness and found you, found you on the way. now it is sliver
Light like a flutter of wings, feel your hollow voice rushing into me as you're longing to sing. So I, I v
your sins into me oh my beautiful one now. your sins into me As a
rapturous voice escapes, i will tremble a prayer and i'll beg your
forgiveness. Your sins into me {Davey- Your sins into me}
cold's in life's throws. i fall asleep for you,
cold's in life's throws i only ask you turn away.
