

A.F.I., Yurf Rendernmein

You keep on sayin' that you want to know me
But you never show me your true self
How can you ever expect someone else to know you?
When all you're going to do is just pretend
You're someone else?
You keep on sayin' that you want to show me that you're really different
But you're just the same
If you're really mindless, then there is no way that I can win, maybe
You're just one of them, or maybe it's just a game
You lie to yourself and remain alone
I'm not exactly sure of your motivation
I'm not exactly sure what you're tryin' to do
All I'm really sure is that you're not too impressive
And you're wearing a mask that I can't see through
Maybe you're not looking for acceptance
Maybe you're striving for something more
If it's status that you lust then why try to be one of us?
You're someone we'll never trust 'cause we know the score
