

A Fine Frenzy, Almost Lover (remix)

Your fingertips across my skin
The palm trees swaying in the wind
Images
You sang me Spanish lullabies
The sweetest sadness in your eyes
Clever trick

Well, I'd never want to see you unhappy
I thought you'd want the same for me

Goodbye, my almost lover
Goodbye, my hopeless dream
I'm trying not to think about you
Can't you just let me be
So long, my luckless romance
My back is turned on you
Shoulda known you'd bring me heartache
Almost lovers always do

We walked along a crowded street
You took my hand and danced with me
Images
And when you left you kissed my lips
You told me you would never, never forget
These images

Well, I'd never want to see you unhappy
I thought you'd want the same for me

Goodbye, my almost lover
Goodbye, my hopeless dream
I'm trying not to think about you
Can't you just let me be
So long, my luckless romance
My back is turned on you
Shoulda known you'd bring me heartache
Almost lovers always do

I cannot go to the ocean
I cannot drive the streets at night
I cannot wake up in the morning
Without you on my mind
So you're gone and I'm haunted
And I'll bet you are just fine
Did I make it that easy to walk
Right in and out of my life

Goodbye, my almost lover
Goodbye, my hopeless dream
I'm trying not to think about you
Can't you just let me be
So long, my luckless romance
My back is turned on you
Shoulda known you'd bring me heartache
Almost lovers always do
