

# A Fine Frenzy, Liar, Liar

liar liar,  
you're such a great big liar  
with the tallest tales  
that I have ever heard  
fire fire,  
you set my soul on fire  
laughing in the corner  
as it burns

right between the ribs  
it's sinking in  
oh oh, the sirens sang so sweet  
and watched the sailors going down  
oh oh, you talk to me in siren song,  
yeah, anyone would drown  
anyone would drown

sick and tired  
of this mad desire  
fluttering inside me  
like a hawk  
wire wire,  
you've got my hands on wires  
well, heaven help you  
when I get them off

right between the ribs  
you'll feel it then

oh oh, the sirens sang so sweet  
and watched the sailors going down  
oh oh, you talk to me in siren song,  
yeah, anyone would drown  
anyone would drown

all the ships go down  
following the sound  
all the ships go down

oh oh, the sirens sang so sweet  
and watched the sailors going down  
oh oh, you talk to me in siren song,  
yeah, anyone would drown  
anyone would drown
