

A Flock Of Seagulls, The Traveller

I am a traveller
And I'm arriving
In a new place
With a new face.

So don't stop, stop, stop, stop, stop, stop.
Don't look behind you.
You don't stop, stop, stop, stop, stop, stop,
They'll never find you.

I am a traveller
Across the ocean
I wanna get there.
I wanna swim in your emotion.

So don't stop, stop, stop, stop, stop, stop.
Don't look behind you.
You don't stop, stop, stop, stop, stop, stop,
They'll never find you.

I am the traveller
Across a million miles of open.
I wanna get there,
I wanna swim in your emotion.

I won't stop, stop, stop, stop, stop, stop.
Won't look behind you.
They won't stop, stop, stop, stop, stop, stop,
Until they find you.

I am a traveller,
I am a traveller,
I am a traveller,
I am a traveller,
Traveller,
Traveller.
