

A, Getting Me Off

I have fallen down a manhole
Up the river without paddle
I can't stand up on my own feet
Something came along and bit me
You're all over the place
When she wipes that grin off your face
And you don't know what day it is
Don't even know your name
She's getting me off
She's turning me on
I hope she does that to herself
When I am gone
I don't get the situation
We're an overnight sensation
You feel like you could drop
But she's coming ready or not
And you don't know the place to start
You don't know where to stop
She's getting me off
She's turning me on
I hope she does that to herself
When I am gone
She's checking me out
I'm losing the fight, yeah
I'm so retarded for that girl
And that's alright
You're all over the place
When she wipes that grin off your face
And you don't know what day it is
Don't even know your name
She's checking me out
I'm losing the fight
It's so great
I want to stay home every night
She's getting me off
She's turning me on, yeah
I hope she does that to herself
When I am gone
She's checking me out
I'm losing the fight, yeah
I'm so retarded for that girl
And that's alright
She's getting me off
She's turning me on, yeah
I hope she does that to herself
When I am gone
She's checking me out
I'm losing the fight, yeah
I'm so retarded for that girl
And that's alright
She's getting me off
She's turning me on, yeah
I hope she does that to herself
When I am gone
She's checking me out
