

# A-ha, Analogue (All I Want)

Come back, my darling one  
I'm calling on you  
the road ahead is long  
and I must warn you

I wonder  
where did she go ?  
if I failed you  
I tell you right now

All I want you to know: I love you  
All I need is the time to show you

Come back, my fallen son  
Don't let them fool you  
'cause when the day is done  
They'll never move you

lay down your senseless pride  
got more than you  
put out your mournful tones  
I tell you right now

All I want you to know: I love you  
All I need is the time to show you how I feel

Lay down your senseless pride  
Trampled once too often.

I tell you right now:

All I want you to know: I love you  
All I need is the time to show you

...you now I love you  
all I need  
is the time to show you how I feel
