

A-ha, Differences

Raise your voice
Give us hope
Make us whole
Save our souls
We have failed so many times
Our attempts in steep decline
Promises we could not keep
Differences that run too deep

We're afraid of ourselves
For a while
Keep us safe
Love is such a big idea
If you don't see it, how can we?
Promises we could not keep
Differences that run too deep

Show the way
Lead us home
We are lost
Give us hope
