

# A-ha, Don't Do Me Any Favours

You offer your assistance  
But you won't accept my help  
You draw your own conclusions  
And there's room for little else  
Your own participation's  
Based on how much you can lose  
I cannot help but feel  
That this won't be of any use  
Don't offer me your credit  
'cause I do not want the blame  
Don't do me any favours  
I don't wanna play that game  
I do not want to see myself  
As someone that you saved  
I'd rather be your adversary  
Than to be your slave  
'cause every friendly gesture  
Turns my stomach inside out  
Don't do me any favours  
I am better off without  
Don't offer me your credit  
'cause I do not want the blame  
Don't do me any favours  
I don't want to know your name  
But it's alright  
Yes it's alright  
Yes its alright  
Yes its alright  
Yes it's alright  
Don't offer me your credit  
'cause I do not want the blame  
Don't do me any favours  
I don't want to know your name  
Don't do me any favours  
Don't do me any favours  
Don't do me any favours  
Coz it's alright  
Yes, it's alright etc  
Ooh-don't give me any credit  
'cause I do not want the blame  
Don't do me any favours  
I don't want to see your face  
But it's alright
