A-ha, Keeper Of The Flame

Give it up for rock'n roll Give it up for rock Give it up for how it made you feel

Give it up for vinyl days Kicking back from school Turning out to make it real sweet

Give it up for rock'nroll Give it up for bob Give it up for how it made you see

Give it up for silvertone Give it up for golden Adolescent daydreams

Incidental incidents

A plan evolves too grand to entertain

Monumental monuments Sentimental sentiments You could've been the keeper of the flame

Incidental incidents Instrumental instruments Swallowed by the place from which you came

Monumental monuments Sentimental sentiments You should've been the keeper of the flame

Give it up for summer days Laying in the grass Everything is happening in your head You raise your fist up in the air Clench your teeth and say Four more years and I'm outa here

Give it up Give it up Give it up Four more years and I am outa here!
