Living Daylights, The

Hey driver, where we're going;  
I swear my nerves are showing;  
Set your hopes up way too high;  
The living's in the way we die

Comes the morning and the headlights fade away  
Hundred thousand people, I'm the one they blame  
I've been waiting long for one of us to say  
Save the darkness, never let it fade away

Oh, oh, oh, oh, the living daylights.  
Oh, oh, oh, oh, the living daylights.

All right, hold on tight now;  
It's down, down to the wire;  
Set your hopes way too high;  
The living's in the way we die

Comes the morning and the headlights fade in rain  
Hundred thousand changes and everything's the same  
I've been waiting long for one of us to say  
Save the darkness, never let it fade a...

Oh, oh, oh, oh, the living daylights.  
Oh, oh, oh, oh, the living daylights.  
Oh, oh, oh, oh, the living daylights.
