

A Human And His Stds, White Lies

Sometimes it seems like I can't get away, from these people and their lies. Its like their too fucking
Shit-talking to the right
Do-Si-Do now, grab your partner and pick a fight. Punkers and their fashion, husbands and their w
How many friends have you earned, with a backstabbing embrace?
How much respect have you gained, while trying to save face?
How much love, have you felt from fucking lying?
None From Me
