

# A La Carte, Do wah diddy diddy

There he was just a walkin' down the street  
Singin' Do Wah Diddy Diddy down diddy do  
Poppin' his fingers and shufflin' his feet  
Singin' Do Wah Diddy Diddy down diddy do  
He looked good, he looked fine, he looked good  
And I nearly lost my mind

Before I knew it he was walkin' next to me  
Singin' Do Wah Diddy Diddy down diddy do  
Holdin' my hand just as nat'ral as can be  
Singin' Do Wah Diddy Diddy down diddy do  
We walked on, to my door, we walked on  
Then we kissed a little more.

Wo... I know we were falling in love  
Yes, I did and so I told him all the things  
I'd been dreamin' of.

Now we're together nearly ev'ry single day,  
Singin' Do Wah Diddy Diddy down diddy do  
We are so happy and that's how we're gonna stay  
Singin' Do Wah Diddy Diddy down diddy do  
Well, I'm his, well I'm his and he's mine, and he's mine  
I'm his, he's mine wedding bells are gonna chime  
Do Wah Diddy Diddy down diddy do...
