

A Life Once Lost, Ill Will

A Life Once Lost

Iron Gag

Ill Will

You are worthless and especially ignorant to human life

Words gestures

Everything I feel towards your existence

Coexists with the hatred I have towards mankind

Common consideration cannot coincide with you and me

You talk to offend

And you laugh to belittle

You talk to offend

And you laugh to belittle

It seems like

You have grown into

Such a beautiful asshole

Life, a headache

That keeps me

It's my choice

It's my decision to crave this feeling now

It has been beaten down on me for years

Reality is not pretty at all

A glimmer of sunshine can still exist

Even when your grey clouds are moving in

You talk to offend

And you laugh to belittle

You talk to offend

And you laugh to belittle

It seems like

You have grown into

Such a beautiful asshole

Life, a headache

That is keeping me

From belonging to society

What does it matter

You came at me

Not to me

Not to me

Disappointment

Is a part of my life

It is the honest

And nasty way

Of being let down

Disappointment

Is a part of my life

It is the honest

And nasty way

Of being let down

You talk to offend

And you laugh to belittle

You talk to offend

And you laugh to belittle

It seems like

You have grown into

Such a beautiful asshole

Life, a headache

That is keeping me
From belonging to society
What does it matter
You came at me
Not to me
Not to me
