

# A Long Winter, Her Delicat Yearning

I never thought that I could feel the way that I feel when I'm with you.  
The butterflies don't ever stop and time does not exist in such a dark place.  
The sunlight seems to sneak through and shine down on your beautiful face.  
I never thought that I could make it on my own.  
The thought of your smile to keep me company.  
I never thought I'd make it but I did with you.  
I only wonder what it would have been like if I hadn't found you.  
I never thought that on that day in May  
an angel would fall down from heaven and into my lap.
