

A.M Sixty, Big As The Sky

Every time I go to bed I dream of you
Every time I eat ice cream it reminds me of you
Every time I sit on a bench to pass the time
All I can do is think of you
Would you hold my head up high?
Would you make my life as big as the sky?
Would you spend the rest of your life with me?
What can I do what can I say
To make you feel the same way
That I do
Every time I look at the phone
Im hoping that youre home
So I can call you up and tell you I miss you
You make me laugh you make me cry
And if I ask you I couldnt tell you why
Baby I love you
Would you hold my head up high?
Would you make my life as big as the sky?
Would you spend the rest of your life with me?
What can I do what can I say
To make you feel the same way
That I do
Would you hold my head up high?
Would you make my life as big as the sky?
Would you spend the rest of your life with me?
What can I do what can I say
To make you feel the same way
That I do
That I do
