

# A Mighty Wind - The Album, When You're Next to

When I'm standing next to you  
There's a song to sing , I know everything's feeling right  
When I'm standing next to you  
Steeple bells ring only good things do I see  
When you're next to me  
When I hold your hand in mine  
Different world wakes, a new morning breaks with the sun  
When I hold your hand in mine  
Children's reaching flight through a star lit night that's what I see  
When you're next to me  
This love for you I'm feeling, has a power that is healing  
It can mend the darkest hour with glorious light  
When I taste your lips so sweet  
I see beggars dine and the sands of time up and stuff  
When I taste your lips so sweet  
Black and white bend, every dog lands at your feet  
When you're next to me  
This love for you I'm feeling, has a power that is healing  
It can mend the darkest hour with glorious light  
When I'm lying next to you  
I feel moonbeams burn, I see rainbows turning to gold  
When I'm lying next to you  
I hear Angels play, I see sweeter days, I see rivers wind  
Through the end of time  
I see hatred fall from the highest hill  
I see God's good grace shining in your eyes, that's what I see  
When you're next to me
