

# A New Found Glory, It's Been A Summer

A New Found Glory  
Miscellaneous  
It's Been A Summer

I'm cracked from my head down to my spine  
ready to self destruct  
at any time  
and I'm trying to convince myself that the way I'm feeling is all I have  
it could take a lifetime  
to realize that you're alright  
(but she said)  
I'd know when you would come back  
it's been a summer  
it's burning up in here  
even though the bed is cold on your side  
I'd rather die than spend this night here without you  
(without you)  
I would try to fix these flaws of mine  
if I could just see you (if I could just see you)  
for one more time  
and I'm trying to convince myself that the way I'm feeling is all I have  
I don't believe in sure things  
there's pain in what the truth brings  
I'll be the first one to know  
if it's wrong for me to just let it go  
I'll be the laughing stock of all time  
person most likely to find  
deciding if it's fate that made you avoid me 'til this day
