

A New Found Glory, Never Ending Story Theme Song

Turn around, look at what you see, yeah
In her face, the mirror of your dreams, whoa
Make believe I'm everywhere hidden in the lines
Written on the pages
Is the answer to a never ending story
Never ending story
Reach the stars and fly a fantasy, yeah
Dream a dream and what you see will be
Rhymes that keep their secrets
Will unfold behind the clouds
And there upon a rainbow
Is the answer to a never ending story
Never ending story
Story, never ending story
Show no fear for she may fade away, yeah
In your hands, the birth of the new day, yeah yeah yeah
Rhymes that keep their secrets
Will unfold behind the clouds
And there upon a rainbow
Is the answer to a never ending story
Never ending story, never ending story
Never ending story
