

A New Found Glory, Never sometimes

Well I never wanted
That to be this way with you
So broken hearted
Look at all the things we've been through
Sometimes I, sometimes I
Can't catch up with your words
You're hard to follow
So hard to follow
Tragic to realize that you talk to much
So tragic to realize that you're far too gone
To say you're wrong
Sometimes I, sometimes I
Can't catch up with your words
You're hard to follow
So hard to follow
Tie the rope around me once more
And I might bend
But I won't break, if I won't break
Tie the rope around me once more
And I might bend
But I won't break, if I won't break
Take this timeout to find yourself
Well take this timeout to learn
Take this timeout to find yourself
Take this timeout to learn
