A New Found Glory, That Thing You Do

You, doin' that thing you do Breaking my heart into a mi

Breaking my heart into a million pieces, like you always do

And you, don't mean to be cruel

You never even knew about the heartache I've been goin' through

Well, I try and try to forget you girl

But it's just so hard to do

Every time you do that thing you do

And I, know all the games you play

And I'm gonna find a way to let you know that

You'll be mine someday

'Cause we, could be happy, can't you see

If you'd only let me be the one to hold you

And keep you here with me

'Cause I try and try to forget you girl

But it's just so hard to do

Every time you do that thing you do

'Cause I don't ask a lot girl but I know one thing's for sure

It's the love I haven't got girl

And I just can't take it anymore

(Whoá!)

'Cause we, could be happy, can't you see

If you'd only let me be the one to hold you

And keep you here with me

'Cause it hurts me so just to see you go

Around with someone new

And if I know you you're doin' that thing

Every day just doin' that thing

I can't take you doin' that thing you do
