

A New Found Glory, Time After Time

Lying in my bed I hear the clock tick
And I think of you, caught up in circles confusion
Is nothing new flashback, warm nights almost left behind
A smooth case of memories, time after
You picture me, I'm walking too far ahead
You're calling to me, I can't hear
What you've said, you say, go slow
And I fall behind, the second hand unwinds
If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after time
After my picture fades and darkness has turned to gray
Watching through windows you're wondering if I'm okay
The secret is stolen from deep inside
The drum beats out of time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
