

A.P.E., No One's Free

Bored with your life and the things ya never had
then ya fined that your life ain't that bad
and to hear what the people gotta say
fuck it, doesn't mean shit today
yeah i dress and look like a slob
but i don't work no 8 hour job
fuck that shit it don't seem right
rather get drunk and stoned all night
No one's free nothing's equal
they don't see our potential
take a look at what we got
don't seem like much but fuck its a lot
