

# A Perfect Circle, Bre

A Perfect Circle

Miscellaneous

Brea

my reflection

grabs and pulls me under

heat me what else to be

bathed in brea

guide me safely in

worlds ive never been to

shield me

heal me

my dear brea

mull around

it's alright

heal me

heal me

my dear brea

show me lonely and

show me openings to

bring me closer to you

my dear brea

mull around

it's alright

opening to

heal

opening to

heal
