

A Perfect Circle, Ozzy's Cure

Screaming out the window
Watch me die another day
Hopeless situations
Endless price I have to pay
Voices in the darkness
Scream away my mental health
Can I ask a question
To help me save me from myself?

[chorus:]

Sanity now is beyond me
I will always love you
However long I stay
I will always love you
Whatever words I say
I will always love you
There's no choice

Whenever I'm alone with you
You make me feel like I'm whole again

Diary of a madman
Walk the line again today
Entries of confusion
Dear diary, I'm here to stay

[chorus]

I will always love you (x6)
Whenever I'm alone with you
You make me feel like I'm whole again
Whenever I'm alone with you
You make me feel like I'm home again

I will always love you, there's no choice...
