A Perfect Circle, The Doomed

Behold a new Christ Behold the same old horde Gather at the altering New beginning, new word

and the word was death and the word was without light the newbie attitude good luck, you're on your on

blessed are the fornicates maybe bend down to the their whores blessed are the rich maybe we labor, deliver, and mourn blessed are the idiots bless the snaffle the raffle and the vain blessed arte the gluttonous may they feast us to famine and war

what of the pious the pure of heart the peaceful what of the meek the mourning the merciful all doomed all doomed

Behold a new Christ Behold the same old horde Gather at the altering New beginning, new word

and the word was death and the word was without light the newbie attitude good luck,

what of the pious the pure of heart the peaceful? what of the mark the mourning the merciful? what of the righteous? what of the charitable? what od truthful the dutiful, the decent?

Doomed are poor Doomed are the peaceful Doomed are the meek Doomed are merciful

for the word is now death and the word is now without light the newbie attitude

fuck the new you're on your own
