

A Perfect Circle, The Outsider (Frosted Yogurt Mix)

Help me if you can
It's just that this
Is not the way I'm wired so could you please
Help me understand why
You've given into all these
Wreckless dark desires, you're

Lying to yourself again
Suicidal imbecile
Think about it, put it on a fault line
What'll it take to get it through to you, precious?
I'm over this, why do you wanna throw it away like this?
Such a mess
Why would I wanna watch you

Disconnect and self destruct one bullet at a time
What's your rush now?
Everyone will have his day to die

Medicated
Drama queen
Picture perfect, numb belligerence
Narcissistic
Drama queen
Craving fame and all its decadence

Lying through your teeth again
Suicidal imbecile
Think about it, put it on a fault line
What'll it take to get it through to you, precious?
I'm over this, why do you wanna throw it away like this?
Such a mess
Why would I wanna watch you

Disconnect and self destruct one bullet at a time
What's your rush now?
Everyone will have his day to die

They were right about you
They were right about you

Lying to my face again
Suicidal imbecile
Think about it, put it on a fault line
What'll it take to get it through to you, precious?
I'm over this, why do you wanna throw it away like this?
Such a mess, over this
Over this

Disconnect and self destruct one bullet at a time
What's your hurry?
Everyone will have his day to die
If you choose to pull the trigger
Should your drama prove sincere
Do it somewhere far away from here
