

A Perfect Murder, Bouc Emissaire

When You've Done Something That Effects Me
And The Life I Live
The Hate In Your Eyes Was All I Could See
Your Words Ignite My Hate
Your Actions Fuel My Rage

For Every Mistake You'ved Ever Made
I've Always Took The Blame
And Still The Anger In Your Eyes
Was All I Needed To See

Your Words Ignite My Hate
Your Actions Fuel My Rage

You've Got No Balls, No Claim For Actions
You've Been Through So Many Times
I Took The Blame For You
But Not This Time
Never Again
