

# A Perfect Murder, Eye For An Eye

I've Been Tolerating Your Shit For Way Too Long  
You're One Insult Away From It Going All Wrong  
I Will Take Back  
Everything You Look From Me  
I Will Take Back  
Everything You Look From Me

Now Its All About Revenge  
Hate And Dedication To Bring You Towards Your Bitter End

I Will Take Back  
Everything You Look From Me  
I Will Take Back  
Everything You Look From Me

So Many Times, I Just Gave Up  
So Many Times, You Would Pull Me Down  
Too Many Times, I Let You Win  
Too Many Times I Handed You The Crown

I Will Take Back  
Everything You Look From Me  
I Will Take Back  
Everything You Look From Me
