A Plus - Everytime

=====

Lately Im not who I used to be someones  
Come and taken me where I dont wanna go  
If I knew exactly what I have to  
Doin?order to be there for you  
When you were feeling low  
And all the things we ever wanted  
Were once yours and mine now,  
I know we can revive it all the love we left  
Everytime I kiss I feel your lips and  
Everytime I cry I see your smile and  
Everytime I close my eyes I realise that  
Everytime I hold your hand in mine  
The sweetest thing my heart could  
Ever find and I have never felt this way  
Since the day I gave your love away save me,  
Ive fallen from my destiny  
You and I were meant to be  
Ive thrown it all away now youre gone  
Its time for me to carry on but baby I just  
Cant go on without you by my side  
And all the things we ever wanted were once yours and mine  
Now, I know we can revive it all the love we left  
Everytime I kiss I feel your lips and

Everytime I cry I see your smile and  
Everytime I close my eyes I realise that  
Everytime I hold your hand in mine  
The sweetest thing my heart could ever  
Find and I have never felt this way  
Since the day I gave your love away we  
Can survive it all the pain we feel inside  
You relied on me and now Ive let you down  
Now, I promise you forever  
I will be the best I can now, I know  
We can revive it all the love we left  
Everytime I kiss I feel your lips and  
Everytime I cry I see your smile and  
Everytime I close my eyes I realise that  
Everytime I hold your hand in mine  
The sweetest thing my heart could ever find  
And I have never felt this way  
Since I gave your love away  
Everytime I kiss I feel your lips and  
Everytime I cry I see your smile and  
Everytime I close my eyes I realise that  
Everytime I hold your hand in mine  
The sweetest thing my heart could ever find  
And I have never felt this way  
Since the day I gave your love away
