

A.R. Kane, Into The Blue

A.r. Kane
Miscellaneous
Into The Blue
I see and i hear
I realize
There is nothing to fear
And
Something so new
I arrive out of the darkness
Into the blue

I know and i understand
Seen face to face
And hand to hand
Something so strange
Into the blue

What can i say
After all is said and done
I ought to go away
We've had our fun
