Lover

You're so rare
A unique boy
So sad yet full of joy
So limitless
Caress
Caressing me

You could take me home with you
Or i could take you home with me
Let me, let me
Love you too
It's like a miracle
A loving cure-for-all
I feel the dust around my hollow heart
Just slip away

You're so rare
For you i've sworn
A rose without a thorn
Pure tenderness
Possess
Possessing me

I only ever cried for you
When will you try to sigh for me
Let me, let me
Love you too
My tears flow long and cool
A fool beside a pool
I feel beside a pool
I feel the hurt inside my hollow heart
Just wash away
