Spermwhale Trip Over

Here in my lsdream

Things are always what they seem

Here in my lsdream, in my lsdreaming

And all the shifting shapes

All changing to grapes

Never making mistakes

In my lsdream

And all the peoples, and all the fingers

And all the peoples, and all the fingers

In my lsdream

And circles buzzing with life

Tip toe, tip toe, tip toe, tip toe

Across my head

In my lsdreaming, oh yeah

Lsdream, in my lsdream, ls, ls...

Lsdreaming
