

A R Rahman feat Suzzanne, Dreams on Fire

You are my waking dream
You're all that's real to me
You are the magic in the world I see
You are the prayer I sing
You brought me to my knees
You are the faith that made me believe
Dreams on fire
Higher n higher
Passions burning
Right on the pyre
Once for, forever yours
In me
All your heart
Dreams on fire
Higher n higher
You are my ocean waves
You are my thought each day
You are the laughter from childhood games
You are the spark of dawn
You are where I belong
You are the ache I feel in every song
Dreams on fire
Higher n higher
Passions burning
Right on the pyre
Once for, forever yours
In me
All your heart
Dreams on fire
Higher n higher
