A Simple Plan

perfect world

i never could have seen this far
i never could have seen this coming
it seems like my world's fallen apart
why is everything so hard?
i dont think that i can deal
with the things you said
it just wont go away

in a perfect world
this could never happen
in a perfect world
you'd still be here
and it makes no sense
i can just ick up the pieces
but to you this means nothing
nothing at all

i used to think that i was strong
until the day it all went wrong
i think i need a miracle to make it through
i wish i could bring you back
i wish i could turn back time
cuz i cant let go
i just cant find my way

i dont know what i should do now
i dont know where i should go
i'm still here waiting for you
i'm lost when your not around
i need to hold on to you
i just cant let you go

in a perfect world
this could never happen
in a perfect world
you'd still be here
and it makes no sense
i can just pick up the pieces
but to you this means nothing
nothing at all
you feel nothing
nothing at all
