

A Simple Plan, Thank You

A Simple Plan
Still Not Getting Any...
Thank You

I thought that I could always count on you
I thought that nothing could come between us two
We said as long as we would stick together
We'd be alright
We'd be ok
But I was stupid
And you broke me down
I'll never be the same again

So thank you for showing me
That best friends cannot be trusted
And thank you for lying to me
Your friendship and good time we had
You can have them back

I wonder way it always has to hurt
For every lesson that you have to learn
I won't forget what you did to me
How you showed me things
I wished I never seen
But I was stupid
And you broke me down
I'll never be the same again

So thank you for showing me
That best friends cannot be trusted
And thank you for lying to me
Your friendship and good time we had
You can have them back

When the tables turn again
You'll remember me my friend
You'll be wishin I was there for you
I'll be the one you miss the most
But you'll only find my ghost
As time goes by
You'll wonder why
You're all alone

So thank you for showing me
That best friends cannot be trusted
And thank you for lying to me
Your friendship and good time we had
You can have them back

(thank you)
For lying to me
(thank you)
For all the times you let me down
(thank you)
For lying to me
(thank you)
Your friendship
You can have it back
